Bryn Athyn College held Military Appreciation Night at the Jungé Pavilion on December 3. Before the conference game against University of Scranton, a ceremony was held to celebrate General Ronald K. Nelson. He had been Athletic Director for the Academy and had played a very important role in establishing the athletics program at Bryn Athyn College in the late 1960s.

"On Saturday, December 3, Bryn Athyn College Hockey held a Military Appreciation Night. The program recognized Major General Ronald K. Nelson, designated a naval aviator in 1956, who flew Marine One during President Eisenhower's administration.

General Nelson later served as the Athletic Director for the Academy of the New Church. He was instrumental in organizing the athletic program for Bryn Athyn College, establishing the college's lacrosse program in 1966-67. General Nelson also worked with Brian Schnarr to organize the Academy's hockey program in 1967, which created our college hockey program that is active today. Nowadays, the hockey program includes teams representing the College, Boys School, and Girls School. General Nelson served as the College's Assistant Ice Hockey Coach in 1974-75.

As part of the ceremony, our team captains, Sean Ford, and DJ May presented General Nelson with a commemorative jersey. The hockey program also honored team member, Freshman Hayden O'Hara, who served as a Master of Arms, 3rd class, in the United States Navy.

General Nelson then performed a ceremonial puck drop with Hayden O'Hara and University of Scranton team captain, Kieran Gruby. General Nelson founded a athletics program at Bryn Athyn College dedicated to teaching courage, honesty, commitment, honesty, and integrity. Our teams today are proud to continue his legacy.

We thank General Nelson, Hayden O'Hara and all our those who serve in the military and as first responders!" (Post on Bryn Athyn College Men's Ice Hockey Facebook page on December 5, 2022).

Brian L. Schnarr joined the faculty at BAC in 1967 and that year, he founded the formal hockey program. His contributions were pivotal in establishing the hockey program as a major sport at the College and Secondary Schools. He was responsible for building the program and played an important role in developing a community-wide love of hockey in Bryn Athyn.

Brian coached the BAC hockey team from 1967 until the early 1980s, and then again in the late 1990s. He co-founded the Delaware Valley Collegiate Hockey Conference (DVCHC) in 1971. With this development, the BAC team had the opportunity to play in a league framework, and to take its place in an organized intercollegiate hockey forum. He was also involved with the establishment of the first rink on our campus in the 1970s.

Brian taught economics and history at Bryn Athyn College for over 40 years and served as the Dean of Bryn Athyn College between 1989-1996. He is still a strong supporter of the hockey program and is frequently seen together with his family at our home and away games.
