Notes by Fredrik Bryntesson
Bryn Athyn College
June – September 2026

The Bryn Athyn College men's golf team played in 30 matches¹ during the college's NCAA DIII era (2014-25).

The golf program was active between 2015-20.

The team had 4 full seasons (2015-19) and part of one season (2019-20) during this time. The spring golf in 2019-20 was cancelled due to COVID, and then the program was discontinued.

The all-time roster, based on participation in meets, includes 26 student-athletes. Many of them were recruited from the men's ice hockey team.

The first Bryn Athyn College Athletics Commissioning Service was held on November 8, 2015.

Athletic Commissioning Service

JUL. 27, 2016

The Bryn Athyn College Athletic Department is excited to be launching a multifaceted spiritual life program for their student athletes. The first portion included an "Athletics Commissioning Service" which was held on Sunday, November 8, 2015 in the Bryn Athyn Cathedral. The commissioning service was led by Rev. Dr. Thane Glenn, and his talk explored the real meaning of courage and whole-heartedness on and off the field. Each of the twelve intercollegiate athletic programs, representing 130 student-athletes, received a blessing to carry with them into the athletic season by Glenn. He says "It was powerful to be able to speak to our athletes about how our spiritual mission might show up for them on and off the field. As chaplain, I look for opportunities to challenge our students to reflect on what a spiritual path might look like in their day-to-day lives. We talked about the kind of courage it takes to play the game for a higher win — for God and for our neighbors (whether they are on our team or our opponent's). To be able to stand with our students in the blessing circle and pray with them was incredibly rewarding."

In conjunction with the Commissioning Service, Bryn Athyn Athletics will launch a new "Athletic Chaplaincy" program for our student-athletes. A team chaplain is a college community volunteer who possesses both an understanding of Bryn Athyn College's mission and values as well as a desire to be more involved in student life. The primary responsibility is to be present to a designated athletic team by forming positive relationships and providing personal and spiritual support to student-athletes. Glenn shared his thoughts on the chaplaincy program: "I think that to be able to connect with a spiritual mentor could make a huge impact on many of these students' lives. Not only could it be a daily reminder of what it looks like to bring Bryn Athyn's spiritual mission into their play, it could also open up a new dimension in their individual lives. All of us face struggles as we walk our paths, and for our athletes to know someone is there for them, pulling for them and offering them guidance — that will be a blessing."

Team chaplains "walk with" student-athletes during their transformative journey by modeling core values, among them respect, integrity, and teamwork, in a manner that is authentic to the unique gifts chaplains offer as individuals. The team chaplain role is designed to be one of encouragement, vision, and leadership. The team chaplain maintains a partnership with the head coach and coaching staff and provides a healthy and balanced perspective to team members by capitalizing on moments that offer learning opportunities and leadership lessons. Graham Lermite, a Business/Psychology major, believes the initiative "will help teams to focus on the true meaning of courage, which is having the heart to do the right thing, even when it might not be easy...having a spiritual mentor in our corner will help us stay focused on what really matters."

The goal is to provide our students with a spiritual message each year at the Commissioning Service which can act as a touchstone for the teams as they practice, compete, and study together. With the help of the team chaplain, student-athletes will apply these messages on and off the court throughout the season. Finally, each season will conclude with an "Evening of Reflection" to examine how each student was able to apply the message.

The top five golfers will make up the First Team with the next five making up the Second Team and last five rounding out the Third Team. Additionally, top overall finisher at the championship event will be named the NEAC Golfer of the Year, while the top first-year finisher will be named the NEAC Rookie of the Year. The NEAC Coach of the Year will be decided by a coaches' vote following the conclusion of the event. Bryn Athyn College suspends all athletic activity through April 3

BRYN ATHYN, Pa. – Bryn Athyn College has suspended all athletic activities, including practices and games, through Friday, April 3—effective immediately—in response to the COVID-19 pandemic. This move comes after the Colonial States Athletic Conference (CSAC) presidents decided to suspend all non-conference and conference events and Pennsylvania Governor Tom Wolf announced the closing of all schools in Montgomery County.

Bryn Athyn canceled all classes on Friday and will resume classes on Monday, March 16 in an online capacity. The College will be monitoring the situation and will reevaluate the situation as needed.

For more information and regular updates on Bryn Athyn College's COVID-19 Preparedness Plan, visit brynathyn.edu.

STATEMENT FROM THE COLONIAL STATES ATHLETIC CONFERENCE

In light of the rapidly evolving COVID-19 pandemic, the Colonial States Athletic Conference Board of Directors has announced that all athletic activity shall be suspended for three weeks, starting on Friday, March 13, 2020 through Friday, April 3, 2020.

The CSAC administration is closely monitoring the spread of COVID-19 and its impact on member institution campus operations. The health and safety of CSAC student-athletes and their campus communities are of paramount importance. The CSAC, along with its Board of Directors, shall assess, discuss and implement further action as needed.

Bryn Athyn College, CSAC suspend all athletic activities for spring season

BRYN ATHYN, Pa. – In response to the current COVID-19 pandemic, the Bryn Athyn College department of athletics has cancelled all athletic competitions and practices for the rest of the spring season, effectively immediately. This move is in conjunction with the Colonial States Athletic Conference and its 11 college presidents unanimously agreeing to suspend its spring season Friday.

On Friday, March 13, the NCAA approved several measures in response to the pandemic and its impact on the 2020 spring season, including an additional semester and season of eligibility for all student-athletes participating in spring sports, the removal of a minimum threshold of sponsored spring sports, and the flexibility for schools to assist students with travel, lodging and meals as a result of campus displacement.

Bryn Athyn College will recognize its senior student-athletes who had their final collegiate season cut short on social media starting next week.

Bryn Athyn College is conducting all classes in an online capacity. The College will be monitoring the situation and will reevaluate the situation as needed.

For more information and regular updates on Bryn Athyn College's COVID-19 Preparedness Plan, visit brynathyn.edu.

STATEMENT FROM THE COLONIAL STATES ATHLETIC CONFERENCE

ROSEMONT, Pa. – The Colonial States Athletic Conference (CSAC), with unanimous support from its Board of Directors, has announced the suspension of all athletic activity, including contests and championships, for the remainder of the 2020 spring semester. This will become effective on Friday, March 20, 2020.

This decision comes in response to the COVID-19 pandemic, as the CSAC is putting the health and well-being of its student-athletes, coaches, officials and campus support staff first. Institutions shall continue to operate in the best interests of student-athletes when it comes to campus operations.

In the coming weeks, the CSAC will work together with its member institutions to pay tribute to the spring sport student-athletes whose seasons were impacted by this pandemic.

The CSAC shares in the disappointment that is felt by its member institutions as a result of this decision and remains committed to working with its administrators and the NCAA staff to provide the most positive student-athlete experience now in the future.

The Covid pandemic struck at the beginning of spring term of the 2019-20 academic year. Thus, cancelling all athletic competition. Bryn Athyn College Athletics therefore held virtual awards for each team that did not include an MVP award for any teams. The 2019-20 men's golf awards were: Julion Lever (Lions' Award), and Tanner Schroeder (Coach's Award).
